General Information

Applicable law. The Arizona Entity Restructuring Act, effective January 1, 2015, sets out the procedural aspects of interest exchange for all entity types. See, in general, A.R.S. §§ 29-2101 thru 2703; for interest exchange, A.R.S. §§ 29-2301 thru 29-2307. Interest exchanges for the various entity types are also governed by other statutes, see, e.g. A.R.S. §§ 10-1101 thru 1108 (for-profit corporations); 10-1101 thru 11108 (nonprofit corporations); and A.R.S. §§ 29-751 thru 757 (LLCs). The requirements for the Statement of Interest Exchange are set forth in A.R.S. § 29-2305. Statutes are available on the Arizona Legislature's website, www.azleg.gov, by following the link for Arizona Revised Statutes.

Which entity should file the Statement of Interest Exchange with the ACC?

If the acquired entity is an Arizona corporation or LLC, then that Arizona corporation or LLC must file the Statement of Interest Exchange with the ACC.

"Acquired entity" means an entity in which all of one or more classes or series of interests are acquired in an interest exchange. A.R.S. § 29-2102(1).

What attachments are required? If the acquired entity is amending its Articles of Incorporation or Articles of Organization, then it must attach the Articles of Amendment to the Statement of Interest Exchange.

NOTE: The Articles of Amendment must meet all the statutory filing requirements for amendments. The filing fee for the amendment must also be paid (in addition to the fee for the Statement of Interest Exchange) when the Statement is filed.

When is the Statement of Interest Exchange effective?

If no date is specified – if no delayed date is specified in the Statement of Interest Exchange, and if the Statement of Interest Exchange and any attachments thereto meet all statutory

filing requirements and all fees are paid, the Statement is effective on the date the Statement was delivered to the Arizona Corporation Commission.

If a delayed effective date or time or both is specified – if the Statement plus any attachments meets all statutory filing requirements and all fees are paid, the Statement would be effective on the specified time and date. If a delayed date is specified, but no time is given, then the time used will be 12:01 a.m. Mountain Standard Time. A delayed effective date may not be later than the ninetieth (90th) day after the date the Articles are delivered to the Commission for filing.

If all filing requirements were not met, the Arizona Corporation Commission will send notice that additional information and/or fees are required.
