Commission Approves Waste Water Application for West Valley Development

The Corporation Commission approved an application that will facilitate expansion in the West Valley. The Commission approved an extension of services certificate to Liberty Utilities to provide wastewater utility service for the upcoming Zanjero Trails development in Litchfield Park.

Upon build out, Zanjero Trails will have a total of 4,495 residential single-family home customers and 4,894 equivalent customers including schools, restaurants, commercial, multi-family homes and light industrial. The development will take place in six phases over 20 years with the utility construction to begin in 2017.

Liberty Utilities serves 18,400 water customers and 20,500 within the cities of Litchfield Park, Goodyear, and Avondale. The Commission gave approval for all phases of the project.
