ATTENTION MOD ACCOUNT HOLDERS:

We have been experiencing an increase in MOD accounts that have insufficient funds to pay filing fees or copying charges. We are in the midst of preparing for the implementation of a new database system, and we are unable to continue the courtesy of calling MOD account holders about account balances and of holding documents or records work orders until the account is adequately funded.

Effective immediately, we will no longer be able to contact the MOD account holder to ask for more money to be deposited. It is the MOD account holder's responsibility to ensure adequate funds are in the account when the documents or records requests are delivered to the A.C.C. If the MOD account has insufficient funds at the time the documents or records requests are received, the documents will be rejected for failure to pay the filing fee, and records requests will not be completed.

To find out your account balance or to add monies, contact Lynda Griffin at 602-542-4607 or Jeff Barker at 602-542-1974.
