Bill Summaries

H2090: WIND ENERGY; SITING

Beginning on October 1, 2020, the construction or operation of a proposed individual wind turbine or other structure that requires a Federal Aviation Administration (FAA) form 7460-1 and that is part of a wind energy facility is prohibited from encroaching on or otherwise having a significant adverse impact on the mission, training or operations of any military installation or branch of military as determined by the Military Aviation and Installation Assurance Siting Clearinghouse and the FAA, and is prohibited from being constructed or expanded unless there is an active determination of no hazard from the FAA and adverse impacts to the U.S. Department of Defense have been resolved. Documentation requirements are specified. Some exceptions. The Corporation Commission is authorized to adopt rules for implementing these requirements, including administrative penalties.

First sponsor: Rep. Finchem (R - Dist 11)

H2090 Daily History	Date	Action

VEHICLE FUELS; INFRASTRUCTURE; LEGISLATIVE AUTHORITY	2/19 from Senate trans-pub safety do pass.
VEHICLE FUELS; INFRASTRUCTURE; LEGISLATIVE AUTHORITY	2/19 Senate trans-pub safety do pass; report awaited.
VEHICLE FUELS; INFRASTRUCTURE; LEGISLATIVE AUTHORITY	1/29 referred to Senate trans-pub safety.

S1378: ELECTRICITY; GAS; DISCONNECTION PROHIBITED

A "utility" (defined) is prohibited from disconnecting any service related to heating if the temperature where the meter is located is forecasted to drop below 32 degrees fahrenheit. A utility is prohibited from disconnecting any service related to air conditioning if the temperature where the meter is located is forecasted to exceed 90 degrees fahrenheit. Utilities are required to make reasonable payment arrangements with a customer to allow for the continuation of service. Utilities are prohibited from disconnecting a customer's service if the customer's household income is at or below 200 percent of the federal poverty guidelines and the customer makes a minimum payment, or if the customer has a household with a pregnant woman, a child who is under 5 years of age, a person who uses life support equipment, or a resident who has a disability or who is 65 years of age or older.

First sponsor: Sen. Mendez (D - Dist 26)
Others: Sen. Dalessandro (D - Dist 2), Sen. Quezada (D - Dist 29), Rep. Salman (D - Dist 26)

S1378 Daily History	Date Action
---------------------	-------------

ELECTRICITY; GAS; DISCONNECTION PROHIBITED 1/29 referred to Senate nat res-energy.

S1481: CAMPAIGN FINANCE; PUBLIC SERVICE CORPORATIONS

A "public service corporation," an "affiliate of a public service corporation" or a "principal" of a public service corporation or its affiliate (all defined) is prohibited from contributing directly or indirectly to a Corporation Commission candidate or candidate committee. A Corporation Commission candidate is prohibited from accepting or soliciting contributions directly or indirectly from a public service corporation, an affiliate of a public service corporation or a principal of a public service corporation or its affiliate. An expenditure by a public service corporation, an affiliate of a public service corporation or a principal of a public service corporation or its affiliate is not an independent expenditure if the expenditure is a coordinated public service corporation expenditure. A coordinated public service corporation expenditure is deemed to be an in-kind contribution to the corporation commission candidate, and requirements for those expenditures are established.

H2686: BUILDING PERMITS; UTILITIES; RESTRICTIONS; PROHIBITIONS

A county or municipality requiring the issuance of a building permit is prohibited from denying a permit application based on the utility provider proposed to provide utility service to the project. A county or municipality issuing a building permit is required to ensure that all applicable permits and fees contain requirements and amounts that do not exceed the requirements and amounts for use of other utility providers and do not have the effect of restricting a permit applicant's ability to use the services of a utility provider that is capable and authorized to provide utility service. Any code, ordinance, land use regulation or general or specific plan provision adopted by a county or municipality is prohibited from restricting a person's or entity's ability to use the services of a utility provider that is capable and authorized to provide utility

service. Counties and municipalities are prohibited from imposing a fine, penalty or other requirement that has the effect of restricting a utility provider's authority to operate or serve customers. The regulation of a utility provider's authority to operate and serve customers is a matter of statewide concern. A person's or entity's ability to use the services of a utility provider that is capable and authorized to provide utility service is not subject to further regulation by a county or municipality. Does not affect any authority of a county or municipality to manage or operate a county owned or municipally owned utility. AS SIGNED BY GOVERNOR.

ASRS ELIGIBILITY; WAITING PERIOD 1/14 referred to Senate fin.

S1142: NONHEALTH PROFESSIONS; OCCUPATIONS; REGULATIONS

The state may regulate a profession or occupation only if there is credible evidence of harm that the unregulated practice threatens the public health, safety or welfare. Regulation cannot be imposed for the exclusive purpose of protecting a profession or occupation from economic competition. Each committee of reference (COR) that reviews an agency that administers an "occupational regulation" (defined elsewhere in statute) is required to consider a specified list of factors in determining the need for continuation or termination of the agency, including the extent to which failure to regulate a profession or occupation will result in the loss of insurance, an impact to the ability to practice as required by federal law, or the loss of constitutionally afforded practices. The list of possible recommendations that the sunset review report from the COR is required to include is expanded to include recommendations that the Legislature repeal the occupational license, convert the license to a less restrictive regulation, or instruct the state agency to seek legislation or adopt rules to reflect the COR's recommendation to impose less restrictive regulations, change the requisite personal qualifications, or redefine the scope of practice. AS PASSED SENATE.

S1203: ELECTRIC CHARGING STATIONS PILOT; APPROPRIATION

The Department of Administration is required to conduct a two-year electric vehicle charging station pilot program. Arizona State University and the University of Arizona must receive monies in an amount equal to the actual cost of installing 20 electric vehicle charging stations, and Northern Arizona University and the Legislature must receive monies in an amount equal to the actual cost of installing 10 electric vehicle charging stations. The Dept is required to submit a report with specified information relating to the pilot program to the Governor and the Legislature by December 31, 2022. Appropriates \$500,000 from the general fund in FY2020-21 to the Dept for the pilot program.
