### **H2303: GOVERNMENT VEHICLES; ELECTRIC; COMMERCE AUTHORITY**

---

In considering the purchase of new motor vehicles, state agencies and political subdivisions are required to consider electric vehicles and the long-term maintenance and fuel costs in evaluating total costs over the life of the motor vehicle. A political subdivision is authorized to apply to the Department of Administration (DOA) for reimbursement for the difference between the amount that the political subdivision spent on electric vehicles and the amount that the political subdivision would have spent on fossil fuel vehicles, and DOA is required to reimburse political subdivisions on a first-come, first-served basis. DOA is permitted to establish a reimbursement cap for each political subdivision. The Arizona Commerce Authority (ACA) is required to administer an electric vehicle charging station grant pilot program to offset the cost of installing electric vehicle chargers in underserved, rural areas of Arizona. To be eligible for grant monies, the charging station must be available for the general

Some exceptions. The Department of Administration (DOA) is required to conduct a two-year electric vehicle-ready homes pilot program to reimburse the owner of a single-family or multifamily residential structure the cost of installing a high voltage electrical outlet for the purpose of charging an electric vehicle, up to \$1,000, until the appropriation is exhausted. DOA is required to submit a report with specified information relating to the pilot program to the Governor and the Legislature by December 31, 2024. Appropriates \$500,000 from the general fund in FY2022-23 to DOA for the pilot program.
