H2303: GOVERNMENT VEHICLES; ELECTRIC; COMMERCE AUTHORITY

In considering the purchase of new motor vehicles, state agencies and political subdivisions are required to consider electric vehicles and the long-term maintenance and fuel costs in evaluating total costs over the life of the motor vehicle. A political subdivision is authorized to apply to the Department of Administration (DOA) for reimbursement for the difference between the amount that the political subdivision spent on electric vehicles and the amount that the political subdivision would have spent on fossil fuel vehicles, and DOA is required to reimburse political subdivisions on a first-come, first-served basis. DOA is permitted to establish a reimbursement cap for each political subdivision. The Arizona Commerce Authority (ACA) is required to administer an electric vehicle charging station grant pilot program to offset the cost of installing electric vehicle chargers in underserved, rural areas of Arizona. To be eligible for grant monies, the charging station must be available for the general public to use, either for a fee or for free. ACA is required to submit a report with specified information relating to the pilot program to the Governor and the Legislature one year after beginning administering the program. Appropriates \$1 million from the general fund in FY2022-23 to DOA to distribute to political subdivisions for electric vehicle reimbursement. Appropriates \$1 million from the general fund in FY2022-23 to ACA for the electric vehicle charging station grant pilot program.
