H2247: FOREST PRODUCTS; PROCESSING; TAX CREDIT

Establishes an individual and corporate income tax credit for taxpayers with a current healthy forest enterprise incentive certification and memorandum of understanding with the Arizona Commerce Authority that "process" "qualifying forest products" (both defined) between January 1, 2022 and December 31, 2030 at a facility located in Arizona. The amount of the credit is up to \$10,000 for the first 20,000 tons and \$5,000 for every 10,000 tons after of qualifying forest products the taxpayer processes in the calendar year, not to exceed \$500,000 per taxpayer. The aggregate amount of tax credits in a calendar year

is capped at \$2 million. If the allowable credit exceeds taxes due, the unclaimed amount of the credit may be carried forward for up to five consecutive tax years. Other requirements to qualify for the tax credit and an application process are established. Applies to tax years beginning with 2022.

H2437: FUEL; ELECTRIC CARS; HYBRIDS; TAXES

Imposes a tax on a vehicle that accesses a street or highway and that is propelled by electricity of \$111 per year for FY2021-22, \$139 per year for FY2022-23, and \$166 per year for FY2023-24. Imposes a tax on a vehicle that accesses a street or highway and that is propelled by a combination of electricity and other fuels of \$45 per year for FY2021-22, \$56 per year for FY2022-23, and \$67 per year for FY2023-24. For FY2023-24 and each year after, each of these rates must be adjusted annually to reflect the change in the gross domestic product implicit price deflator reported by the U.S. Department of Commerce from January 1, 2020 to December 31 of the prior year. Due to a potential increase in state revenue, this legislation requires the affirmative vote of at least 2/3 of the members of each house of the Legislature for passage, and becomes effective on signature of the Governor.

H2664: GOVERNMENT VEHICLES; ELECTRIC; APPROPRIATION

In considering the purchase of new motor vehicles, state agencies and political subdivisions are required to consider electric vehicles and the long-term maintenance and fuel costs in evaluating total costs over the life of the motor vehicle. A political subdivision is authorized to apply to the Department of Administration (DOA) for reimbursement for the difference between the amount that the political subdivision spent on electric vehicles and the amount that the political subdivision would have spent on fossil fuel vehicles, and DOA is required to reimburse political subdivisions on a first-come, first-served basis. DOA is permitted to establish a reimbursement cap for each political

subdivision. Appropriates \$1 million from the general fund in FY2021-22 to DOA to distribute to political subdivisions for electric vehicle reimbursement.

H2737: CORPORATION COMMISSION ACTIONS; INVESTIGATION

At the request of a member of the Legislature, the Attorney General is required to investigate any decision, order or rule adopted or amended by the Arizona Corporation Commission (ACC) that the member alleges is beyond the ACC's statutory or constitutional authority or whether the ACC is not executing or enforcing a statute. If the Attorney General concludes that the ACC does not have the authority or is not executing or enforcing a statute, the Attorney General is required to notify the ACC of the violation by certified mail and provide 30 days to resolve the violation. If the ACC fails to resolve the violation within 30 days, the Attorney General is required to file a special action in the Supreme Court to resolve the issue, and the Supreme Court is required to give the action precedence over all other cases. If the Supreme Court determines that the ACC does not have the authority or is not executing or enforcing a statute, Attorney General is required to inform the Department of Administration (DOA), and DOA is required to withhold ten percent of the ACC operating lump sum budget for the current fiscal year. Does not apply to any order or decision setting rates for public service corporations.

S1307: WATER; WASTEWATER SYSTEM; COUNTY OPERATION

A county with a population of more than 200,000 persons and less than 900,000 persons (Pinal County) is authorized to acquire, maintain and operate a water and wastewater system if the public service corporation that owns the system is either operated by an interim manager under an order of the Arizona Corporation Commission (ACC), or within the three years immediately preceding the acquisition, was operated by an interim manager under an order of the ACC. The county may acquire the by agreement with the public service corporation or by eminent domain and is required to pay the public service corporation the fair valuation for the system. Establishes a formula for determining the fair valuation. After the county acquires the water and wastewater system, the county is authorized to contract with a private entity to operate the system. A contract for the operation and maintenance of the system is exempt from the county's procurement code except that the county is required to issue a public request for proposals. These authorizations are repealed an unspecified number of months (blank in original) after a county acquires a water and wastewater system from a public service corporation or on January 1, 2027, whichever is earlier.
