Welcome to the FINRA DR Portal

Introduction

The FINRA Dispute Resolution Services developed this User Guide to help arbitration and mediation case participants become familiar with the Dispute Resolution Portal (DR Portal). The DR Portal is a web-based system that allows invited participants to log into a secure section of our website for self-service access to submit documents and view their case information.

The DR Portal has two parts: the **DR Party Portal** is for arbitration and mediation case participants, and the **DR Neutral Portal** is for FINRA neutrals (arbitrators and mediators) serving on the Dispute Resolution roster. This User Guide describes the DR Party Portal. A separate User Guide is available that explains the use of the DR Neutral Portal for arbitrators and mediators.

If you happen to be both a FINRA neutral and a participant to a case, you can register the same User ID to access both sides of the DR Portal. Case participants who are also registered neutrals may access the neutral portal by clicking on the link, “Go to Neutral Portal” found near the top of the homepage once you are logged in. Likewise, registered neutrals who are also case participants may access the party portal by clicking on the link “Go to Party Portal” from the homepage.

Portal Access

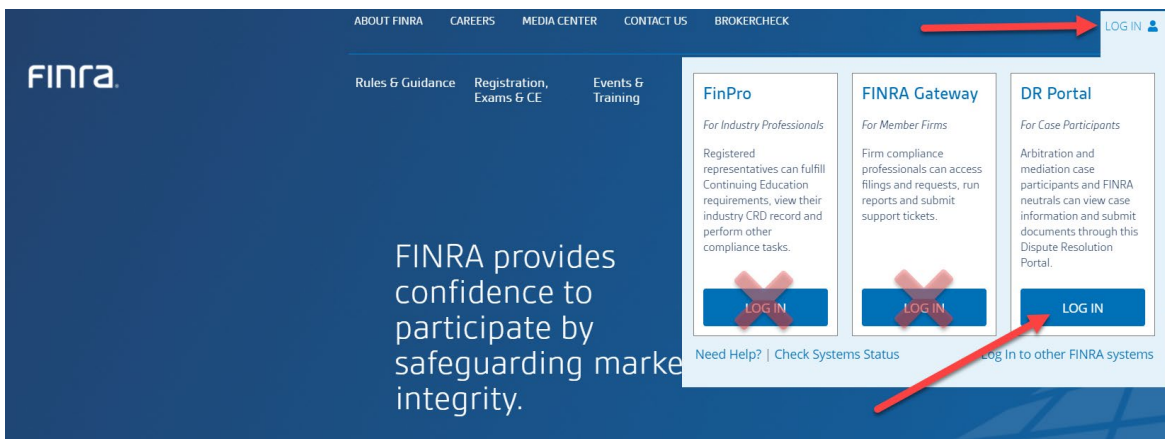

FINRA Dispute Resolution forum participants can access the DR Portal from FINRA.org after creating a DR Portal account. **For detailed information on how to create an account, see Appendix A.**

Note: you can not use a FINRA Gateway account on the DR Portal. You must create a separate account. If you attempt to log into the DR Portal with a Firm account, you will receive the following error message:

You only need one account to access all cases to which you are invited. You should NOT create a new account for each case you receive, and each account should use the unique email address of the user. Do not use a “group mailbox” email address when creating an account.

A direct link to the DR Portal login screen can be found on the finra.org home page:

Compatible Browsers

The DR Portal is compatible with recent versions of the following browsers: Microsoft Edge; Firefox, Google Chrome, and Safari. Microsoft Internet Explorer is no longer supported.

Mobile Devices

The DR Portal is only partially accessible with mobile devices. You can login and view case information, and depending on the device, may be able to view PDF files and rank arbitrators. You might not be able to reliably submit documents using a mobile device.

Spam Filters

You will receive automated emails coming from “drportal@finra.org” when you are invited to register for a case or when activity occurs on your case that requires your attention. To prevent your spam filter from blocking these emails, we suggest that you add this email address to the “safe senders” list in your spam filter software.

Note: FINRA will not complete spam filter forms that may be sent by your spam filter software. You must add the “drportal@finra.org” email address to your spam filter safe sender list to receive emails coming from the DR Portal.

Pop-up Blockers

Some features of the portal open extra tabs in your browser or pop-up windows. We suggest that you add *.finra.org to your browser’s list of Trusted Sites and to your pop-up blocker’s exception list. You may also disable your pop-up blocker.

Frequently Asked Questions and How-To Videos

You can find the FAQ and some how-to videos in the **Resources** section of this page:

DR Portal Functionality

On the FINRA DR Portal Homepage, you will see a menu of options across the top heading bar: **Home, Arbitration Cases, Mediation Cases, Arbitration Claims, and Messages**. Each of these are described in detail in other sections of this user guide.

The Home page displays announcements (in the orange banners near the top of the page) regarding the DR Portal or relevant FINRA Dispute Resolution Services activity, and reminders for upcoming events on your cases (in the blue box).

The Home page also displays any outstanding case deficiencies (issues to be resolved on a case) for the participant's cases, as well as any arbitration hearings or mediation sessions scheduled within the next 14 days.

This page does NOT display your complete list of cases. To see your cases, click on the "Arbitration Cases" tab or "Mediation Cases" tab next to the "Home" tab at the top of the page.

Accessing Case Information

New cases do NOT automatically appear in your portal when they are filed. There are two methods of gaining access to information for a new case through the DR Portal:

- Using "**Receive a Case**" and the Claim Access Code found in a [Claim Notification Letter](#) that was sent to you (only for respondents);
- Receiving an [email invitation](#) from FINRA to register with the DR Portal for access to a particular case.

Claim Notification Letter

The first way to access new case information is by receiving a Claim Notification Letter in the mail or by email from FINRA. This letter replaces the serving of paper documents by FINRA upon the respondents of a claim. It is sent to the named respondent parties on the case after the claim has been received by FINRA.

This letter notifies the respondent that they have been named in a claim and that they may retrieve the claim documents through the DR Portal using the Claim Access Code contained in the letter.

Receive a Case

FINRA serves claims on respondents through the DR Portal using a Claim Notification Letter. If you receive this letter, you can retrieve the claim by logging into the portal and using the "**Receive a Case**" link on the left-hand menu, under where it says, "**I want to...**". You will need to enter the Claim Access Code (aka PIN) found in the letter to access the claim documents.

Note: The Claim Access Code is ONLY used by respondents and can ONLY view the initial claim documents (called the "Claim Service Packet") for that one case for a limited time. It also provides the ability to submit an answer and associated documents. It does NOT provide access to other cases on the DR Portal or to view other types of documents on the associated case (this is called a "Limited Case View" and is noted as such on the portal). Claimants do not receive these letters and should NOT attempt to use this Claim Access Code to access their case.

If you have been named as a respondent in a claim and receive a Claim Notification Letter from FINRA:

© 2022 Financial Industry Regulatory Authority, Inc. All rights reserved.

1. Click on the “Receive a Case” link, found on the left-hand menu on the portal Home page.
2. Enter the FINRA Arbitration Number (Case ID) and the Claim Access Code from the Claim Notification letter or email you received regarding this new case. If you are a person associated with a FINRA member and you are registered with FINRA (or you represent one), you must also provide the Associated Person’s date of birth.

Receive a Case

FINRA serves claims on respondents through the DR Portal using a Claim Notification Letter. You can retrieve the claim by entering the Case ID (including hyphen and leading zeros) and the Claim Access Code provided in this letter.

If the Named Respondent on the case is an Associated Person (see Rule 12100(a)/13100(a)), then the Date of Birth of the Associated Person is required below.

For cases with multiple parties, if you have received more than one Claim Notification Letter, please enter only one Claim Access Code.

Note: the Claim Access Code is ONLY used by respondents to retrieve the initial claim documents for the one associated case. It also provides the ability to submit an answer, notice of appearance, and associated documents. It does NOT provide access to other cases on the DR Portal.

All fields marked as * are mandatory.

Case ID: *

Claim Access Code: *

Associated Person Date of Birth: (Required only for Associated Person)

* I hereby attest that I am a named party or that I represent a named party in the above-referenced case and will access the DR Portal in good faith for purposes of obtaining arbitration information and to file an online answer and other documents. I declare that the above entered case number and Claim Access Code are accurate to the best of my knowledge.

If you have any questions, please contact the staff member assigned to your case provided on the Claim Notification Letter.

3. If you enter the correct information, you will be taken back to the DR Portal and provided a “Limited Case View” of this case (see “Limited Case View and Post-Case View” under Case Details for more information.) At this point, you are considered a “preliminary user” in the DR Portal for this case.

With this Limited Case View, you can:

- Retrieve the initial claim documents that were filed by the claimant (called the “Claim Service Packet”, found in the Documents tab);
- File an answer, including answers that contain cross, counter, or third party claims (press the red **Submit Documents** button to open the form);
- File amendments to your submitted answer (also using the red **Submit Documents** button).

The Claim Access Code can be used by more than one person. For example, a respondent party can use the code to retrieve a claim, and then give the code to outside counsel who may then also use it to retrieve the claim using their own Portal account. Once you use the code to access the claim, you will not need to use the code again if you log out and back into the portal. You will continue to have access to the Claim Service Packet on this one case until the code is disabled.

Note: The Claim Access Code will be disabled:

- Once the respondent files their answer with FINRA,
- If the Claim Access Code is mis-typed three times when trying to retrieve the claim,
- If the date that the answer is due to be filed with FINRA has passed and no extension has been filed with FINRA, or
- If an email invitation (see below) is accepted and the participant is registered to the case.

Limited Case View is displayed after you use the Claim Access Code to receive a case. This view only shows these three tabs.

This indicator will disappear when the party representative uses their invitation to register this case.

Email Invitation from FINRA

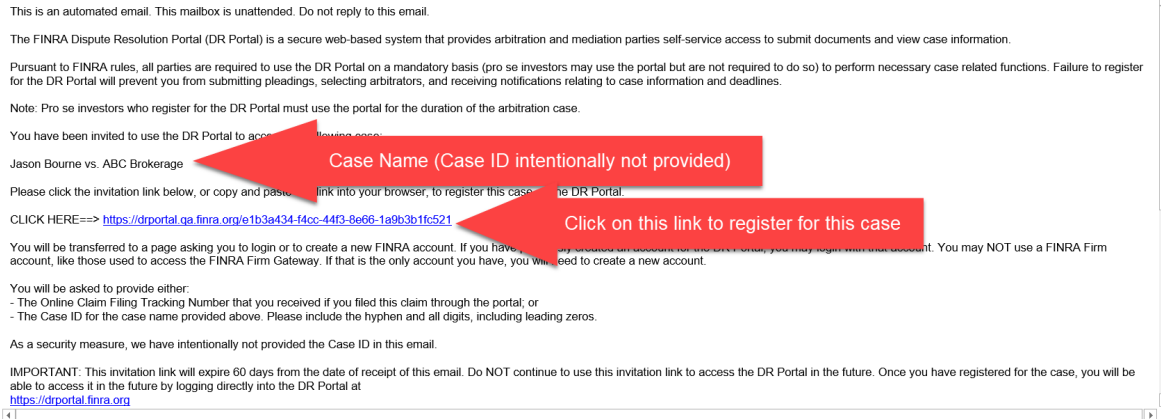

The second way to access case information is by receiving an email invitation from FINRA to register your account with the DR Portal for access to a particular case. This invitation email will be sent by FINRA to the party representatives on the case (as provided in the initial claim, answer, or Notice of Appearance), and will contain a personalized web address link that provides complete access to the case on the DR Portal. This email will typically be sent to the representative after FINRA receives initial documents related to the case and will be sent to the email address provided by the representative.

Once you have registered your account for the case, you are able to invite colleagues into the DR Portal on a case by case basis (see User Management).

IMPORTANT: Unlike the Claim Access Code, this email invitation is personalized and can only be used ONCE by ONE recipient. It is intended for use by the party representative. However, the representative can instead give this invitation to a delegate (e.g., support staff), who will act on the representative’s behalf for purposes of using the DR Portal. Whoever uses this invitation is considered the “Portal Contact” with regard to the Portal for this case, but this

does NOT change the party representative. EACH CASE requires this invitation/registration process.

FINRA will send an invitation to the named party representative with the subject line, “**FINRA Dispute Resolution Portal – Please Register Your Case on the DR Portal.**” It will contain a personalized link to register for a case:

1. Click on the link in the email underneath where it says, “Please click the invitation link below to register your case.” You will be brought to the “**Welcome to Dispute Resolution**” log-in page and have the option to log into or create your FINRA account. **If you have not already created an account, see Appendix A.**
2. Log into the DR Portal by entering your **User ID** and **password**.

You will be asked for the Case ID or your Online Claim Tracking Number as a challenge question to verify your identity. You only need to provide ONE of these.

IMPORTANT: as a security measure, this information is intentionally not included in the invitation email.

- If you are a claimant and filed your claim online through the DR Portal, your claim was assigned a Tracking Number.
- If you mailed your initial claim to FINRA, we will have emailed you the Case ID after we received your initial claim.
- If you are the respondent, you would have received the Claim Notification Letter that included the matching case name and Case ID.

Messages

This menu option takes you to a page showing the messages that have been sent to you regarding activity across all of your cases being handled through the DR Portal. You also receive these messages as email alerts. The number in orange indicates the number of unread messages. The view defaults to showing all received messages that you have not already archived. Unread messages are displayed in bold type. You can limit the view to just your unread messages by clicking on "View Unread Messages." You can also filter the messages to show just those relating to certain message types that have been sent to you. Select "Documents", "Download Documents" or "Scheduling" in the Message Type Filter drop-down menu.

To archive messages, click on the checkbox to the left of the message to select them (or click on "Select All" to select all messages), and then click on the **Archive Selected Messages** button. To view your archived messages, click on the red **Go to Archived Messages** button.

In addition, any announcements or reminders that you deleted from the Home page (by clicking on the **X** next to the announcement) can be found on the Archived Messages page.

Case Details

When you click on a case name from the **Arbitration Cases** or **Mediation Cases** page, the details of that case are displayed. The Details tab is displayed by default, but there are several more tabs that provide various information and functions.

Limited Case View and Post-Case View

There are two situations where you may only be able to see a subset of the complete list of tabs:

Limited Case View – As described previously under “Receive a Case”, when you access a new case that has been served on you by using a Claim Access Code, you see a Limited Case View of the case. This view provides three tabs: Details, Documents, and Drafts & Submissions.

LIMITED CASE VIEW: YOU MUST STILL REGISTER FOR THIS CASE. An invitation to register will be emailed to the named representative once you file your answer or Notice of Appearance. See [FAQ](#) for more information.

Details Documents (1) Drafts & Submissions

Post-Case View – You can continue to view a case in your Portal even if all of the parties you represent in the case are no longer active (e.g., settled or withdrawn), but the view is somewhat reduced. This view provides four tabs: Messages, Documents, Drafts & Submissions, and Users.

Post-Case View - See [FAQ](#) for more information.

Messages (8) Documents (9) Drafts & Submissions Users

This view allows you to see the messages and documents that had been posted to your portal prior to becoming inactive. New documents that are submitted by the still active parties after this point will not be viewable to you.

In addition, you CAN still submit new documents on this case AND serve those documents on the still active parties. FINRA DR staff CAN post a new document to you if necessary (for example, to send you a final correspondence), but other parties CANNOT serve you new documents through the Portal. The Users tab is provided so that you can change the access level or remove people you have invited to this case, but you cannot invite new users at this point.

Other parties will see an indication under your name if all of the parties you represent are no longer active on the case.

Note: When using the “Download All” button (see Documents section), a message is sent to you with a link to retrieve the compiled list of documents. This link expires after three days. To avoid confusion, these Download All messages are now automatically deleted after three days, since the link contained in them will no longer work.

Details

The **Details** tab lists the neutrals appointed to the case, as well as the names of the parties and their representatives, and the assigned FINRA staff member. Contact information for each party representative can be found here as well, in addition to the yellow warning indicator if a representative is not registered for this case on the portal.

By clicking on the representatives' names, you can see their contact information. You can also view the names of the neutrals assigned to the case once they have been selected.

TIP: If a party representative has not yet registered to use the Portal for the case, they will have a yellow warning indicator  to the right of their name. This representative will NOT receive service of documents you submit through the portal. It is recommended that you send documents to representatives not on the portal by other means (e.g. fax, email) to assure they receive them.

In addition, a copy of your submitted rankings can be found in the Documents tab (called “Submitted Arbitrator Ranking Sheet”) so that you can verify your submission. If you do not find it, contact the Dispute Resolution case administrator assigned to your case, or send an email to claimhelp@finra.org to verify that FINRA has received your rankings.

Note that the process is the same for mediator lists and ranking.

Hearings

The **Hearings** tab shows the hearings that are scheduled or have already been held for the case. You can also view the address and phone number for a hearing location. The Hearings page also provides information about which arbitrators and FINRA staff attended a particular hearing. Click on the green plus sign to see details about the location, call in number for a conference call, or Zoom meeting information for a video conference. If it does not expand when you click on it (the green plus just becomes a minus), then there is no information to display under that heading.

The “Hearing Purpose” and “Hearing Instructions” may be displayed underneath each hearing. Also, the “Hearing Format” column indicates whether the hearing is being held by teleconference, video conference, or in person and whether this hearing needs to be recorded.

Scheduling

The **Scheduling** tab provides a collaborative tool that allows the party representatives and neutrals to find mutually agreeable dates for scheduling (or rescheduling) arbitration hearings or mediation sessions.

When a hearing or session needs to be scheduled or rescheduled, FINRA staff will propose a range of dates by creating a “scheduling poll.” When FINRA staff displays a poll on the DR Portal, each of the required attendees will receive an email notification telling them to come to the DR Portal to complete the poll by providing their availability.

Click on the Poll ID to open the poll.

Documents

The **Documents** tab shows a list of documents contained in the case file that have been made available for viewing through the portal. This includes documents you submitted to FINRA as well as documents published by FINRA staff to the portal. The number in blue indicates the number of unopened documents. The Sent By column tells you who sent the document to you. If it was submitted by another party and they used the "serve attachments" feature, the party representative's name will be shown here. If a series of documents were published to the portal together, the Documents column will say "+ Document List." Click on the plus sign to expand the list and see the individual documents. Click on a document to view it.

There is also an "Expand All" link in the Documents column heading. Clicking this link will display the list of documents contained in all of the Subjects on the page.

There is also a **Create Merged File** button that will create a single PDF containing all of the documents contained in the Subject, complete with a cover page listing the documents contained within, and a separator page between each individual document. Once the PDF is created, you will receive a message in your Messages tab with a link to get the PDF. Note that this link will only work for three days. After that, you will need to click on the **Create Merged File** button again to get a new link.

Note: all documents in the DR Portal are saved as Adobe PDF files. Make sure you have the latest version of Adobe Acrobat Reader installed on your computer to avoid problems opening the files. You MUST disable your pop-up blocker to view the documents.

The screenshot shows the 'Documents' tab in the portal. At the top, there are navigation tabs: Messages (5), Details, Pleadings, Deficiencies, List Selection, Hearings, Scheduling, Documents (4), Drafts & Submissions, Fees, and Users. Below the tabs, the 'Documents' section is active. A table lists documents with columns: Subject, Portal Posted Date, Documents (File Date), Expand All, and Sent By. The first row shows 'FINRA Correspondence' with a date of 03/16/2022 and a document 'List Cover Letter.pdf (07/07/2021)' sent by 'FINRA DR'. Below this, there are two rows for 'Submitted Documents by Party' from 02/28/2022. The first row has a 'Document List' and a 'CREATE MERGED FILE' button. The second row also has a 'Document List'. Red callout boxes provide instructions: 'Click on "Expand All" to show all documents' points to the 'Expand All' link; 'Click on document to open' points to the document title; 'Click on "Create Merged File" to create a single PDF containing all of the documents in this Subject' points to the 'CREATE MERGED FILE' button; and 'Click on green "plus sign" to expand list of documents' points to the '+' icon in the second row.

ADVANCED TIP: Portal Contacts and Secondary Contacts (see “User Management” later in this Guide) receive an automated email whenever activity occurs on one of your cases. Each type of automated email has a small, identifying code word at the bottom. For example, when FINRA publishes a document on the portal for one of your arbitration cases, the automated email will include the code word “PUBADOC” at the bottom of the email. You can create “rules” in your email system to look for these code words on incoming email to automatically route the emails as you desire. Be sure that FINRA emails are not being stopped by any email spam blockers you may have.

Drafts & Submissions

The **Drafts & Submissions** tab contains a list of submissions you are currently drafting or have already sent to FINRA. Aside from arbitrator rankings that are submitted under the List Selection tab, all case-related document submissions are made through this tab.

Note: This tab displays the case-related submissions made by you to FINRA when you pressed the “Submit” button. This tab will only display your personal submissions. It will not, for example, show submissions made by a secondary contact that you have invited to assist you on the case (secondary contacts cannot see your submissions in their Drafts & Submissions tab either.) The “Documents” tab, however, displays a copy of all documents posted to the DR Portal, including those submitted by the secondary contacts that you have invited.

To view documents already submitted to FINRA or to continue working on a draft submission, select the associated Tracking Number. Select “Delete” to delete a draft submission.

Submitting Case Documents

To submit case-related documents to FINRA, follow these steps:

FINRA rules require that parties must file and serve pleadings and other documents through the DR Portal.

All parties, except customers who are not represented by an attorney or other person (pro se customers), must use the DR Portal to file initial statements of claim and to file and serve most pleadings and other documents on FINRA or any other party. Hearing Exhibits Required for Special Proceeding Cases:

- ✓ Hearing exhibits must be provided to the arbitrator prior to the Special Proceeding arbitration hearing.
- ✓ Select the Attachment Type of “Exhibits”, and then enter “hearing exhibits” in the Description field.
- ✓ Parties should organize their PDF hearing exhibits in a single text-searchable PDF file that contains a Table of Contents labeling each hearing exhibit and

corresponding page number for each exhibit the party plans to introduce at the arbitration hearing.

- ✓ **Note, however, that a single attachment cannot be larger than 2 GB in size (and this will take a long time to upload). If your combined file would be larger than this, please submit as separate files as needed.**

You are permitted to submit hearing exhibits in a variety of file formats, including spreadsheets and audio files. Specifically, files that have the following file extensions: .pdf, .mov, .mp3, .mp4, .m4a, .wav, .xls, .xlsx, .doc, .docx, .ppt, .pptx.

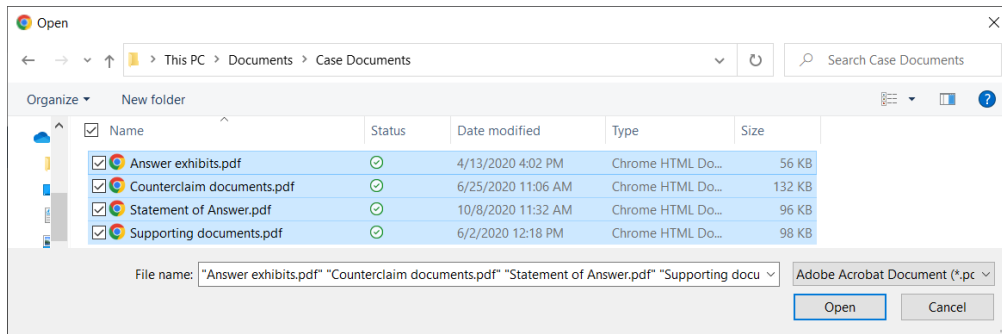

To do this, you MUST select the Attachment Type of “Exhibits” on the Party Case Submission form. File types other than PDF are ONLY permitted for exhibits. For all other attachment types, PDF is still the only permitted file type.

DO NOT submit PDF “Portfolio” documents. Only “standard” PDF documents are acceptable.

- Alternatively, you can press the **Save Draft** button to save your draft and return to it later. To leave the draft form, press the “Back to Drafts & Submissions” link at the top of the page. If you instead press the **Cancel** button, your draft form will not be saved and you will be returned to the Drafts & Submissions tab.

Shared Draft Submissions

Your draft Party Case Submission forms are now automatically shared between the Primary contact and their associated Secondary contacts on the case. Pressing the “View All Drafts” button will let you see all of the case submission forms currently being drafted by you and your co-workers on the case. The “Owner” column lets you know who owns which draft. Clicking on the Tracking Number of a draft owned by a co-worker will open a read-only version for viewing. You can also click on the attachments to see what documents are currently attached. Clicking on “View My Submissions” will change the page back to displaying just your own personal drafts and your submitted forms. There is no way to collaborate within the shared draft itself, you must communicate with each other directly.

Party Case Submission

Use this form to file case-related documents with FINRA Dispute Resolution Services, and serve these documents on other parties for this case. You can also pay any necessary fees associated with this filing as part of your submission.

NOTE: For all arbitration cases filed on or after April 3, 2017, FINRA rules require that parties must file and serve pleadings and other documents through the DR Portal.

All parties, except customers who are not represented by an attorney or other person (pro se customers), must use the DR Portal to file initial statements of claim and to file and serve most pleadings and other documents on FINRA or any other party. See [Regulatory Notice 17-03](#) for more information.

Select "Submit" at the bottom of this form to submit the form and attached documents to FINRA. If you are paying a fee, you will then be taken to a payment page to complete the transaction.

All questions marked as * are mandatory.

Document Service

For all arbitration cases filed on or after April 3, 2017, FINRA rules require that parties must file and serve pleadings and other documents through the DR Portal. All parties, except customers who are not represented by an attorney or other person (pro se customers), must use the DR Portal to serve most pleadings and other documents on FINRA or any other party.

Prior to this rule amendment, this feature was available in the portal, but it was called a "courtesy copy", and you were still required to serve copies of filed documents directly on all parties to the case. For cases filed after April 3, 2017, this feature now constitutes actual service. Service recipients will be notified of received documents via email as well as a message on their DR Portal. Recipients will be able see these documents in their "Documents" tab for the associated case within minutes of your submission. You will receive a confirmation email listing the party representatives that did and did not receive your service submission so that you have a record and can take appropriate action.

TIP: Some documents (such fee waiver requests) are NOT sent to other parties even if you accidentally select the "Serve Attachments..." option on your submission. However, this depends upon you choosing one of the "Fee Waiver Request..." attachment types when attaching these documents. It would be safer to select the "Do NOT Serve Attachments..." option when sending these types of documents.

For example, if you attach a fee waiver request, but incorrectly select an attachment type of "Other", and then select the "Serve Attachments to ALL Parties in This Case" option, your fee waiver request WILL be sent to other parties on the case.

IMPORTANT: Be aware that a party representative may not yet be registered for the portal on a particular case. If so, they will NOT receive any notice of the document and cannot see it in the portal. You can identify which party representatives are not yet registered by looking for the yellow exclamation mark symbol on the “Details” tab of the case.

NEW! Case Fees

The **Fees** tab displays the case fees that have been assessed and payments that have been credited to parties that you are associated with, as well as other accumulated accrued fees for case activities have not yet been invoiced.

Estimated Case Fees

This section displays an estimate of the fees currently owed on this case that have not yet been assessed to individual parties. Once these fees are allocated to specific parties and an invoice is issued by FINRA’s Finance Department, the final amounts may be different than these estimates. Once the fee is allocated to the party(ies), the estimated fee will be removed from this section and it will be displayed under the Assessed Fees and Payments section for the assessed party.

Note: Estimated Case Fees is a new feature for the DR Portal and is only available for cases filed on or after June 4, 2022. Cases filed before this date will display the assessed fees and payments (see below), but not any estimated case fees.

User Management

The party representative that used the case invitation email to register for the case is called the **"Portal Contact."**

Note that the "Portal Contact" does not have to be the same person as the actual party representative (i.e., as provided in a notice of appearance.) If the link in the DR Portal invitation email was used by someone other than the party representative, that person becomes the "Portal Contact" with regard to DR Portal work for the case. This does not, however, change who is named as the party representative.

It is permitted for the party representative to delegate the role of Portal Contact for DR Portal work, but the representative is responsible for all submissions made.

Inviting Others to Your Case

The **Users** tab allows a Portal Contact to grant access to the DR Portal to another individual for a particular case by sending an invitation. Invited individuals are sometimes called "Secondary Contacts" in the system or by FINRA Dispute Resolution Services staff.

Messages (7) Details Pleadings Deficiencies List Selection (2) Hearings Scheduling Documents (5) Drafts & Submissions Users

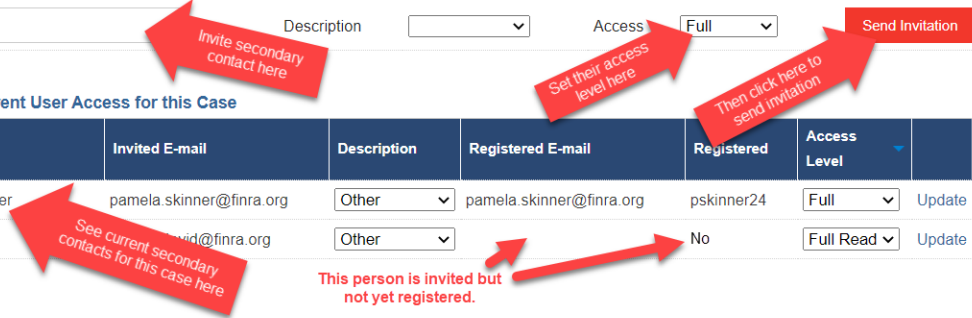

Note: For security purposes, the recipient of this invitation will be asked for the Case ID of this case in order to register. Make sure they know to expect this invitation and provide them with the Case ID.

| | id@finra.org | Other | | No | Full Read | Update | Re-invite |

Invite New User to this Case lets the Portal Contact invite anyone they choose (such as support staff) to the case by entering the email address, a basic description, an access level, and then pressing the **Send Invitation** button.

Note: You should not send an invitation to yourself from this page. If you invite yourself and use that invitation, you will become a Secondary Contact on this case and no one will remain as the Portal Contact. This means that no one will have the ability to invite others from that point on. Correcting this situation will require assistance from Dispute Resolution staff.

ADVANCED TIP: You can enter more than one email address in the “E-mail” box. This will send multiple invitations at one time. Separate each email address with a comma or semi-colon.

The invited individual will receive an email invitation with the subject line, “**FINRA Dispute Resolution Portal – New Case Invitation**” containing a special link that will grant them the ability to register to the specific case in the DR Portal. Individuals need to be invited to each case that the Portal Contact wishes them to access. Once registered, the Secondary Contact can just log in to the DR Portal; they do not use the invitation email again.

IMPORTANT: You should notify the invitee that you will be inviting them and provide them with the Case ID. As a security measure, this information is intentionally not included in the invitation email.

Access Levels

You can set the invitee’s access level to various levels:

- **Full** lets the invitee do anything the Portal Contact can do on this case, except for inviting other Secondary Contacts (only the Portal Contact has access to the Users tab).

- **Full Read** gives access to all of the case tabs, but it is for reading only; the invitee cannot submit documents, enter arbitrator ranks or strikes, or enter scheduling information.
- **Basic** only gives the high-level information about the case; they cannot access the row of tabs (Case Details, Pleadings, etc.)

Manage Current User Access for this Case lets the Portal Contact change or remove access to previously invited individuals (Secondary Contacts), or to re-invite individuals if they lost or deleted the invitation email. To remove access for a previously invited user, just change their access level to “None” and click on the “Update” link. The invited user will no longer see this case when they log into the Portal.

IMPORTANT NOTE: The representative accepts all responsibility for the individuals they invite to maintain the confidentiality of case information, and for removing access when the invitee no longer requires access to the case. This can be done by setting their Access Level to “None”.

If you have invited someone to be a Secondary Contact for many of your cases and need to remove their access from them all (perhaps because they no longer work with you), please contact the Portal Help Desk at claimhelp@finra.org or call (800) 700-7065 for help removing their access all at one time.

Log Out of the Portal

You can log out of the DR Portal by clicking on the “**Sign Out**” link in the top right corner.

Once you click the “**Sign-Out**” link you will receive confirmation that your Logout was successful.

You only need one account to access all cases to which you are invited. You should NOT create a new account for each case you receive, and your account should use your unique email address. Do not use a "group mailbox" email address when creating an account.

Note: If you later need to update your email address, you will need to make this change by updating your account information using the "Change my Email" quick link menu option on the Homepage of the DR Portal. This change cannot be made by FINRA staff.

3. You will receive a "Registration Confirmation" with your User ID. Be sure to write down your User ID and/or print this screen. Once written down, close all of your browser sessions.

4. You will receive two emails: one confirms your account User ID, and the other provides a button to activate your password. Click on the "**ACTIVATE PASSWORD**" button in the second email.

5. After activating your password, you can log into the DR Portal.
6. Log into the online application by entering your **new password**. The first time you log in you will be asked to choose three security questions and provide the answers. From time to time, the system may ask you one of these questions to confirm your identity.

Note: As a security measure, FINRA passwords automatically expire after a set period of time. When this occurs, you will be asked to change your password when you are logging in. You cannot select a password that you used previously.

Appendix B: Completing the Online Claim Information Form

The Claim Information Form is a summary of the information contained in your Statement of Claim, which specifies the relevant facts and the remedies sought. This Claim Information Form is NOT a Statement of Claim. You must file all of the documents required by Code of Arbitration Procedure Rule 12302 for Customer Disputes and Rule 13302 for Industry Disputes, as well as filing fees specified by Rule 12900 for Customer Disputes and Rule 13900 for Industry Disputes in order for your claim to be processed.

IMPORTANT NOTE: DO NOT use your browser's "Back" and "Forward" buttons to move between pages of this form. The browser's buttons do not properly save data when changing pages, nor do the form page tabs running along the top of the form. Instead, use the **Previous** or **Continue** buttons provided on each page. If you prefer to use the form tabs to move between pages, press the **Save as Draft** button periodically. Failure to do this may lead to lost data that you will need to re-enter.

| <p>Other</p> | <p>It is important that you only use “Other” after all attempts to look up a Member Firm or Associated Person on CRD have failed (see How to Perform a CRD Search below).</p> |

Further Describe The Claimant (Required for “Customer” or “Other”)

If you selected a Claimant type of either “Customer” or “Other”, you will be presented with a drop-down list box asking for additional descriptive information. Select the option that best describes the Claimant type from the choices in the drop-down list.

Note that only customer claimants of type “individual” and associated persons will be provided with the option to represent themselves (i.e., “pro se”). See **Claimant Represents Self** below.

Claimant Name (Required)

If you selected a Claimant type of either “Customer” or “Other”, you will be required to enter the name of the Claimant.

If you selected a Claimant type of either “Member Firm” or “Person Associated with a Member Firm”, you will provide the name by “searching” for the party in the CRD database. You must either provide the claimant’s FINRA Broker-Dealer (“BD”) number or FINRA Central Registration Depository (“CRD”) number respectively.

What is a BD Number/CRD Number?

FINRA gives each securities firm and each Associated Person (broker) a Broker-Dealer number (BD number) or Central Registration Depository number (CRD number) in the Central Registration Depository when they register with FINRA. Collectively, these numbers are sometimes called a CRD/BD number or BD/CRD number.

How to Perform a FINRA Member CRD Search

There are two methods of locating a Member on CRD:

Member Firm Look-Up

Search by Firm Name or Broker Dealer (BD) Number: *

Start typing the firm name or BD number in the search box above. If the firm is registered with FINRA, a list of matching entries will be displayed. Select the appropriate firm from the list and it will populate the boxes below. If you cannot find the firm by name or BD number, you will need to change the Claimant Type to "Other", which will allow you to enter the firm's information in the boxes below. Only select the Claimant Type of "Other" if you cannot find the firm.

NOTE: Whether you know the BD number or not, you should still be "searching" the CRD database in order to have the system add the party's information into the form.

If your search results in no names being returned, it is possible that you misspelled the name, or the name is stored in CRD with different punctuation from what you entered. Try searching again with fewer characters in your search. At least the first two letters must be entered, however.

TIP: Don't worry if the results of your search return some member firm names that seem completely different from the name you entered. CRD retains the names of firms prior to mergers and acquisitions, and typically returns the current (DBA) name of a firm that has had a name change.

TIP: If you are unsure which name is the correct one (perhaps there are several names that look similar or are identical), you can visit FINRA's Brokercheck website to see more information about each FINRA member firm.

<http://brokercheck.finra.org/>

How to Perform an Associated Person CRD Search

Searching for an Associated Person works the same way as searching for a member firm. See "How to Perform a FINRA Member CRD Search" above.

NOTE: The CRD lookup does **NOT** populate the address information for APs onto the form. The AP's address will be determined by FINRA DR after your claim is filed.

Current Mailing Address (Required)

Enter your current mailing address. If this is not the first claimant being entered, and the address you would enter is the same as another already entered claimant, you can click on the **Copy from**

© 2022 Financial Industry Regulatory Authority, Inc. All rights reserved.

Another Claimant button to copy the address information from another claimant to the current one.

Residential Address at Time of Dispute (Required)

Enter your residential address at the time of the dispute. If your residential address at the time of the dispute is the same as your current mailing address, you can click on the **Same as current address above** checkbox. This will hide the City and Country fields so that you do not have to fill them in.

Claimant Represents Self

If you are an individual customer or an associated person, you can check this box if you do not have an attorney and will be representing yourself (“pro se”) in this arbitration. If you will be represented by an attorney, do not check this box. You will enter your attorney's information in the Claimant Representative section of the form.

If you enter a claimant type that is not an “individual”, (e.g., custodial, estate, individual retirement account, etc.), you will not be provided this option for this claimant in this section. If you will be representing your accounts pro se, you will enter yourself as the representative for these accounts on the **Claimant Representative** section of the form.

After all claimant information has been entered, press the **Save Claimant** button. This adds the claimant to the “Claimants Added to Claim” list box found lower on the page.

| Claimants Added to Claim | | | Add a New Claimant | |
|--------------------------|---------------------|------|--------------------|--------------|
| Claimant Name | Claimant Type | Self | | |
| Mrs. Jane Customer | Customer-Individual | Yes | Delete | Copy Address |
| 1 Row(s) | | | | |

Adding, Editing, and Deleting Claimants on the Online Form

Once you have saved the information for the first claimant, there are three things you can do:

Add Another Claimant

You can go back to the top of the page and add another claimant.

TIP: If the next claimant has the same address as the first one, you can press the Copy Address button next to the claimant in the list of claimants box. This will begin a new claimant with the address from the prior one already filled in.

Delete a Claimant

You can press the Delete button next to a claimant in the list of claimants box to delete the claimant.

NOTE: You cannot delete a claimant that is currently associated with a claimant representative or named in a relief request. To delete a claimant that has no delete button, either:

- Remove this claimant from all claimant representatives and relief requests that currently name this claimant, or
- Delete all claimant representatives and relief requests that currently are associated with the claimant.

This will allow the Delete button to appear so that you can delete the claimant.

Relief requests are described below later in this Guide.

Edit Claimant Information

To edit a claimant, click on the name of a claimant in the list of claimants box. The fields above will be populated with the claimant's information. Make your edits and then press the **Update Claimant** button to save your changes.

Once you have added all of the Claimants, click on the **Continue** button.

Claimant Representatives

FINRA corresponds with the party representatives. If an attorney is representing you, enter your attorney's information here. If you do not have an attorney and are representing yourself, you would have checked the "Claimant is Representing Self" checkbox back on the Claimants page, and you would NOT enter yourself again here. If all claimants are representing themselves, you can skip this section.

Associating Representatives with Claimants

If a single representative (or co-counsel) will represent all of the claimants entered in the Claimants section (other than those claimants who are representing themselves), select the "**Only one representative will be representing all claimants on this claim**" option.

NOTE: If there are co-counsel, enter the name and address for one of the counsel below. When using the DR Portal, counsel can "invite" co-counsel to join the case, allowing all counsel full access to all documents and features of the portal.

If some claimants will be separately represented, you can enter more than one representative and select whom they represent. To do this, select the "**There are multiple claimant representatives on this claim**" option. Then, under "**Claimants Using This Representative**", select the associated claimants and press the **Save Representative** button.

Each claimant party (that is not representing themselves) must be associated with a representative, but a given claimant party cannot be associated with more than one representative.

Adding, Editing, and Deleting Claimant Representatives on the Online Form

Adding, editing, and deleting a claimant representative works the same as it does for the Claimants page.

Add Another Representative

You can go back to the top of the page and add another representative.

Delete a Representative

You can press the Delete button next to a representative claimant in the list of representatives box to delete the representative. Remember that each claimant that is not self-representing must have a representative.

Edit Representative Information

If you have only one representative, you can just edit the information on the page. If you have more than one representative, click on the name of the representative in the list of representatives box. The fields above will be populated with the representative's information. Make your edits and then press the **Update Representative** button to save your changes.

Once you have entered the information and selected the appropriate claimants for each representative, click on the **Continue** button.

Respondents

A respondent is any individual or legal entity you wish to name for purposes of seeking relief. If the claimant is a customer, then the respondent is typically a FINRA member firm or a person associated with a member firm. This section of the form works in a similar manner to the Claimants section.

The Respondent is a: (Required)

Click on the button next to the type of Respondent that you are entering.

Respondent Name (Required)

If you selected a Respondent type of either "Customer" or "Other", you will be required to enter the name of the Respondent.

If you selected “Member Firm” or “Person Associated with a Member Firm” as the respondent type, then you must provide the respondent’s BD number or CRD number. You can find these numbers by using the CRD Lookup Tool. See “How to Perform a CRD Search” in the Claimants section above.

NOTE: The CRD lookup does **NOT** populate the address information for APs onto the form. FINRA maintains a separate database of addresses for Dispute Resolution correspondence. You may enter the address where you believe the AP is employed.

NOTE: Do not list “John Doe” respondents in the Respondent Name field. Doing so may delay processing of your claim.

Current Mailing Address

Enter the current mailing address of the respondent, as you know it. FINRA Dispute Resolution maintains its own database of AP addresses, and may not use the one you provide. However, in case FINRA has difficulty reaching the respondent, we may attempt to reach them using the address you provide. If you do not know the AP’s address, you may leave it blank.

If this is not the first respondent being entered, and the address you would enter is the same as the previous respondent, you can click on the **CopyAddress** button next to the previously entered respondent to copy the address information to the current one.

Once you have entered the information for the respondent, click the **Save Respondent** button.

Adding, Editing, and Deleting Respondents on the Online Form

Just like for Claimant entry, once you have completed all of the information for the respondent, you can add another respondent, delete a respondent, or edit the information for a respondent.

Once you have added all of the Respondents, click on the **Continue** button.

Start Date

Enter the date that the alleged dispute began. If you are unsure of the exact date, just enter the year.

End Date

Enter the date that the alleged dispute ended. If you are unsure of the exact date, just enter the year. If the activity that you are disputing is still occurring, then instead check the “Dispute is ongoing” checkbox.

NOTE: Do not check “Dispute is ongoing” if the activity is no longer occurring. This box is not intended to mean, “My dispute is ongoing, because I haven’t resolved my dispute yet.”

Dispute Types

Use this section to indicate the types of disputes the Claimants have with the Respondents. Select all of the types of disputes that apply to your claim.

NOTE: Only select dispute types that are relevant to your claim. Selection of dispute types is optional on this form, but make sure that your Statement of Claim describes your dispute in detail. If your claim only involves a request for expungement, you do not need to select a dispute type.

Securities, Financial Instruments, and/or Investments involved in the Dispute

Use this section to indicate the types of securities that are involved in your claim. Select all of the types of securities that apply to your claim.

When you have finished selecting your dispute types and security types, click on the **Continue** button.

Relief Requested

On this page, you can request both monetary and non-monetary relief, as well as attorney's fees, costs, and interest. You can also request expungement, and also indicate if you are filing a claim alleging employment discrimination in violation of a statute.

Attorney’s Fees, Costs, and Interest

Claimants are also permitted to request compensation for various fees or loss of interest they have incurred. To make such a request:

1. Check the box next to the applicable items that you are requesting.
2. Next to the checkbox, enter the specific amount requested, if known, or leave the associated amount blank and check the “Amount is Unspecified” box to indicate that the amount is unspecified. Do not enter zero for the amount. Be sure to explain in your Statement of Claim the fee or interest you are seeking. For example, if you are seeking 3% compounded interest for the total time that certain monies should have been in your account but were not, then state this in your Statement of Claim.

Employment Disputes with Special Provisions under the Code or Applicable Law

Claimants are permitted to file a claim alleging employment discrimination. Claimants are also permitted to request compensation for various fees or loss of interest they have incurred. To make such a request:

1. Check the appropriate box located in this section.

Expungement

You can request expungement of an entry in the CRD record of an associated person by checking the “Request expungement of CRD record” box and then completing the section that appears beneath it.

Individuals with CRD numbers can access their registration and licensing information (including their CRD number and disclosure occurrence numbers) through the Financial Professional Gateway at <http://www.finra.org/industry/finpro>

Expungement Information and Affirmations: (Required)

You must make the listed affirmations by checking the boxes.

Are you filing a claim requesting expungement of customer dispute information from CRD record? (Required)

As of September 14, 2020, you must specify whether you are requesting expungement of customer dispute information or industry dispute information. See <https://www.finra.org/rules-guidance/notices/20-25> for more information.

Select Claimant: (Required)

© 2022 Financial Industry Regulatory Authority, Inc. All rights reserved.

Select the claimant that is making the expungement request.

Select Respondent: (Required)

Choose a respondent party by checking the box next to the appropriate respondent's name.

Enter CRD Number associated with expungement request: (Required)

Enter the CRD number of the associated person for which the expungement is being sought, then click the **Retrieve Records** button to search for expungement occurrences associated with this CRD number.

NOTE: This CRD number does NOT necessarily have to be that of the claimant selected above. For example, the claimant might be a member firm that is seeking expungement on behalf of one of their brokers. The claimant would be the member firm and the CRD number entered here would be that of the broker.

Specify which CRD occurrences should be considered for expungement: (Required)

Select the CRD occurrence that you are seeking to be expunged. If you are seeking to expunge more than one occurrence, select the first one and then repeat this process for each additional occurrence.

NOTE: If you cannot find the CRD occurrence number or one does not exist, you can select "**Occurrence Number Not Found or Not Applicable**". Only select this option for customer dispute expungement requests if you cannot find the occurrence number, as doing so will result in a delay in case processing until you identify the occurrence number.

Underlying Case ID/Docket Number:

Enter the Case ID or Docket Number that gave rise to this occurrence, if applicable.

Then press the **Save Expungement Request** button. This will add the information to the list of expungement requests below. If you are seeking to expunge more than one occurrence, repeat this process for each additional expungement request.

Adding, Editing, and Deleting Expungement Requests on the Online Form

Just like for Claimant and Respondent entry, once you have completed all of the information for the expungement request, you can add another expungement request by filling out the "Create Expungement Request" section again, delete an expungement request by pressing the "Delete" button next to an expungement request already saved in the Expungement Requests Added to

Claim box, or edit the information for an expungement request by clicking anywhere on the row of an already saved expungement request.

Monetary and Non-Monetary Relief Requests

The "amount in dispute" is the combined amount of monetary relief requested, and is used to calculate the filing fee. This amount must match the amount stated in your Statement of Claim. Attorney's fees, costs, and interest are not included in the calculation of the amount in dispute.

Monetary Relief Categories:

| | |
|--|--|
| Actual/ Compensatory | Monetary sum required to compensate a party for his or her loss. |
| Other Monetary Relief | Other monetary relief not otherwise described. |
| Punitive/ Exemplary Damages | Monetary amount intended to punish the wrongdoer. |
| Racketeer-Influenced and Corrupt Organization Act (RICO) | Includes damages pursuant to the RICO statute or damages pursuant to federal and state laws designed to prosecute organized crime. (You may want to consult with an attorney for more information regarding the RICO statute.) |
| Treble Damages | Damages tripled in amount, as provided by statute. (If entering a Relief Request Entry for treble damages, multiply the actual damages by two and enter that amount in the "Amount" field. For example, if you are asking for \$10,000 in actual damages and also asking for treble damages, then you would enter \$20,000 for treble damages.) (You may want to consult with an attorney for more information regarding treble damages.) |

Non-Monetary Relief Categories:

| | |
|----------------------|---|
| Declaratory Judgment | A binding ruling on the rights and status of the parties. (You may want to consult with an attorney for more information regarding declaratory judgments.) |
| Specific Performance | Requires that the respondents take some kind of action, such as turning over ownership of stock. |

| | |
|---------------------------|---|
| Injunction Rule 13804 | Temporary Injunctive Orders; Requests for Permanent Injunctive Relief. Applies to claims by industry parties and not customers. |
| Injunction | Requires that the respondents refrain from certain actions. |
| Other Non-Monetary Relief | Other non-monetary relief not otherwise described. |

There are two ways to enter your monetary and non-monetary relief requests: "Simple" and "Detailed". For most claims, the "Simple" method will work fine and is easier to use. It assumes that all claimants are seeking relief from all of the respondents. Check the box next to each type of relief being sought and enter the associated amount, or check "Amount is unspecified".

Simple method:

Monetary

| | | |
|---|----------------------|--|
| <input type="checkbox"/> Actual/Compensatory | <input type="text"/> | <input type="checkbox"/> Amount is unspecified |
| <input type="checkbox"/> Other Monetary Relief | <input type="text"/> | <input type="checkbox"/> Amount is unspecified |
| <input type="checkbox"/> Punitive / Exemplary Damages | <input type="text"/> | <input type="checkbox"/> Amount is unspecified |
| <input type="checkbox"/> RICO | <input type="text"/> | <input type="checkbox"/> Amount is unspecified |
| <input type="checkbox"/> Treble Damages | <input type="text"/> | <input type="checkbox"/> Amount is unspecified |

Non-Monetary

- Declaratory Judgment
- Specific Performance
- Injunction Rule 13804
- Injunction
- Other Non-Monetary Relief

Use the "Detailed" method if:

- Some of your relief is being requested by only a sub-set of your claimants, or against a sub-set of the respondents; or
- You are seeking multiple types of non-monetary relief. For example, if you want to specify two different types of non-monetary – specific performance relief, then you would need to use the detailed method of relief entry.

Detailed method:

After providing the information for the relief request, click the "Save Relief Request" button to add the relief request to the lower box. Repeat these steps until all desired relief requests have been entered.

TIP: You will need to itemize each relief request in this section, as described in your Statement of Claim. It will be useful to have already completed your Statement of Claim before completing this section so that you can use it as a reference.

Adding, Editing and Deleting Relief Requests on the Online Form

If you used the "detailed" method of relief request entry, your saved relief requests will be in the Relief Requests Added to Claim box. Just like for other parts of this form, once you have completed the information for one relief request, you can add, delete, or edit another relief request.

If you have no additional relief requests to add, you can click on the **Continue** button to move to the next section of the form.

Hearing and Fees

Cases claiming \$50,000 or less in damages:

If you are claiming \$50,000 or less in total specified and unspecified damages (both actual and punitive, exclusive of interest and expenses), you may choose one of three ways to present your case to an arbitrator:

- **No Hearing - Arbitrator Decides Case After Reviewing Parties' Written Submissions**
 If no hearing is requested, an arbitrator will decide the case based on parties' pleadings and other written submissions. Please note that cases decided on papers are less expensive and are processed more quickly, on average, than cases decided by hearing.
- **Special Proceeding**
 Choose a special proceeding to present the case. Special proceedings differ from regular hearings because:

- ✓ An arbitrator will hear the case by telephone conference call unless all parties agree as to another method of appearance;
- ✓ Claimants, collectively, and respondents, collectively, each have two hours to present their cases and one-half hour for rebuttal and closing statements;
- ✓ The hearing will be completed in one day with no more than two hearing sessions;
- ✓ The parties may not question opposing parties' witnesses;
- ✓ The parties may not call an opposing party as a witness.

For detailed information about Special Proceedings, please see: Code of Arbitration Procedure Rule 12800(c) (Customer Code) and Rule 13800(c) (Industry Code).

- **Regular Hearing**

The parties and arbitrator will follow the regular provisions of the Code of Arbitration Procedure and appear at an in-person hearing. With regular hearings there are no limits on the length of a hearing, questioning an opposing party's witness or calling an opposing party as a witness.

You must also affirm that the total damages you are seeking in this claim will not exceed \$50,000 by checking the affirmation checkbox.

Cases claiming more than \$50,000 and up to \$100,000 in damages:

If you are claiming between \$50,000.01 and \$100,000 in total specified and unspecified damages, your claim will be decided by a single arbitrator after an in-person hearing.

You must also affirm that the total damages you are seeking in this claim will not exceed \$100,000 by checking the affirmation checkbox.

Cases claiming more than \$100,000 in damages, unspecified damages or requesting permanent injunctive relief:

If you are claiming \$100,000.01 or more, or are only claiming unspecified damages, or requesting permanent injunctive relief, or requesting expungement, a panel of three arbitrators will decide your case after an in-person hearing.

The form will deactivate choices that are invalid for your claim size.

NOTE: After you file your claim, you may request subsequently a different panel composition (for example, a panel of three arbitrators for a claim of \$60,000) if all parties (claimants and respondents) agree in writing.

Expedited Proceedings for Senior and Seriously Ill Parties

Upon a party's request, staff will expedite the administration of arbitration proceedings in matters involving seniors or seriously ill parties. Staff will begin the arbitrator selection process, schedule the Initial Prehearing Conference (IPHC), and serve the final award as quickly as possible. By mutual agreement, parties are also free to reduce the time requirements contained in the Customer Code. Staff will also determine promptly whether the parties are interested in mediation, which could further expedite resolution of the dispute.

Check the box to request expedited treatment, and then provide an explanation of the circumstances.

I request that staff expedite the administration of this case because at least one party is a senior citizen or is seriously ill.

Please provide a detailed explanation: *

Fee Calculation

The Code contains rules regarding the fees that must be submitted with the Statement of Claim to file an arbitration claim.

In order to commence an arbitration case, you must submit a filing fee along with your Statement of Claim, signed Submission Agreement and other supporting documentation. To help you determine the fee amount, a Fee Calculator is provided. The Claim Information Form interacts directly with the Fee Calculator using the information you have already entered, calculates the appropriate fees, and displays them on the Form. You cannot directly change the displayed fees.

NOTE: As of September 14, 2020, fee calculations were revised for claims that include requests for expungement of customer dispute information.

<https://www.finra.org/rules-guidance/notices/20-25>

To have the system calculate the filing fee, press the **Calculate Fees** button. The system will determine the appropriate filing fee and display it on the Form.

NOTE: If you change any information in other parts of the Form, you should come back to the Fee Calculation section and press the **Calculate Fees** button again to make sure the correct fee is determined.

Press the "Calculate Fees" button below after you have entered all of your damages on the Relief Requested page.

Attaching Other Supporting Documents

To attach other supporting documentation, such as a scanned image of the signed Submission Agreement, repeat steps 1 through 7 above and choose the appropriate attachment type.

Submission Agreement

The Submission Agreement is an important document to submit along with your claim. It can be provided in one of two ways:

- You can attach a scanned PDF image of a signed Submission Agreement found on finra.org.
- You can “sign” and submit the Submission Agreement electronically on this section of the form.

NOTE: If you submit a scanned image of the Submission Agreement, keep your original Submission Agreement in your files in case the validity of the signature is ever questioned. Submitting an unsigned Submission Agreement will delay processing of your claim.

If you are not attaching a scanned image of the completed Submission Agreement, then you must complete this section.

If you would like to submit your Submission Agreement as part of your online form, click the “**I will use electronic signature**” option.

By entering your electronic signature below, you are one of the following: (1) the claimant; or (2) a person with legal authority to bind the claimant; or (3) a person with firsthand knowledge of the facts and actual or implied authority to act on behalf of the claimant; or (4) an attorney who has actual or implied written or verbal power of attorney from the claimant to sign on the claimant's behalf and thus, bind the claimant to the terms of the Submission Agreement as if the claimant signed the form personally.

To use the electronic signature, you must:

- Click "Add Signature".
- Choose the claimant name that the signature is for, and sign by entering "/s/", followed by your first name, middle initial, and last name (e.g., /s/ Jane Q. Public).
- Indicate the capacity in which you are signing (e.g., individual, representative, legal counsel, executor, trustee, corporate officer).
- Enter the date that you signed the form, and then click the "Add" button to add the signature.
- Repeat for each signature you want to add.

NOTE: If you do not complete all signature block fields according to the instructions, your online filing could be considered deficient (not validly filed) until FINRA receives complete and accurate signatures.

It is permissible for some claimant(s) to use electronic signature on the form and for other claimants to submit scanned images of the Submission Agreement.

| Electronic Signature on Claim | | | | |
|-------------------------------|-------------------|------------|------------|----------|
| Claimants ▲ | Signature | Capacity | Date | |
| Mrs. Jane Customer | /s/ Jane Customer | individual | 08/11/2016 | Delete |
| | | | | |
| Add Signature | | | | 1 Row(s) |

Click a row to edit it.

Please note that if you do not complete all signature block fields, your online filing could be considered deficient (not validly filed) until FINRA receives complete and accurate signatures.

Congratulations! You have reached the end of the form, and now have an opportunity to review all of your entries prior to submitting your Claim Information Form to FINRA.
