ARIZONA CORPORATION COMMISSION CHAIRMAN

Chairman

Jim
O'Connor

As Chairman of the Arizona Corporation Commission, Jim O'Connor has chosen to forego taking on additional leadership positions within boards and committees, instead he opts into appointing fellow commissioners to those roles. This decision is rooted in a commitment to the principles of fairness, impartiality, and focused governance. By refraining from holding any self-appointed positions, Chairman O'Connor can devote his full attention to the responsibilities and obligations of his role as Chairman. His leadership reflects his dedication to serve the people of Arizona.
