Change of Location for Flagstaff Public Comment

(Phoenix) The Public Comment Meeting set for April 3rd in Flagstaff is moving to a different location than previously announced. The meeting, regarding the Arizona Public Service Company rate application, will be held at the Coconino County Administrative Building instead of the Flagstaff City Council Chambers due to some damage they have sustained to the building.

The session will be at 6:00 p.m. on April 3rd at the Coconino County Administrative Building, County Board of Supervisors Chambers, at 219 E. Cherry Avenue in Flagstaff.

Public Comment Hearings were held in Douglas and in Phoenix earlier this month. Another one will be held in Clarkdale on March 29th at Yavapai College on the Verde Valley Campus at 601 Black Hills Drive Building M, Room 137. The last will be held in Yuma on April 10 at 6 p.m. at the Historic Yuma Theatre at 254 S. Main Street.

Established by Article 15 of the state's constitution, the Arizona Corporation Commission is responsible for the regulation of public utilities, overseeing the incorporation or registration of companies wishing to do business in Arizona. Additionally, the Corporation Commission registers and oversees securities offerings and dealers, and enforces railroad and pipeline safety. The five commissioners that make up the Commission are elected by the people of Arizona for a four-year term, with the option of serving for two consecutive terms.
