Your fingerprints will be used to check the criminal history records of the FBI. As an applicant you have a right to review and challenge information contained in the criminal history record obtained from the fingerprints you submitted for the purpose of licensing with the Arizona Corporation Commission, Securities Division. If you feel the information is inaccurate or incomplete it is your responsibility to review and challenge the information if that is your desire.

If you have a criminal history record, the officials making a determination of your suitability for employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record. You should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before officials deny you employment, license, or other benefit based on information in the criminal history record.

The procedures for obtaining a change, correction, or updating of your FBI criminal history record are set forth in Title 28, Code of Federal Regulations (CFR), Sections 16.30 through 16.34. Information on how to review and challenge your FBI criminal history record can be found at [www.fbi.gov](http://www.fbi.gov) under "Services" and then "Identity History Summary Checks" or by calling (304) 625-5590.

To obtain a copy of your Arizona criminal history in order to review/update/correct the record, you can contact the Arizona Department of Public Safety Criminal History Records Unit at (602) 223-2222 to obtain a fingerprint card and a Review and Challenge packet. Information on the review and challenge process can be found on the DPS website at [www.azdps.gov](http://www.azdps.gov).
