**Title Sheet**

**Arizona Telecommunications Tariff**

This tariff contains the descriptions, regulations, and rates applicable to the furnishing of Lifeline Wireless Prepaid service for Telecommunications Services furnished by TAG Mobile, LLC (“TAG” or “Company”) with principal offices at 1330 Capital Parkway, Carrollton, TX. 75006. This Tariff applies for services furnished within the State of Arizona. This Tariff is on file with Arizona Corporation Commission (“ACC”), and copies may be inspected, during normal business hours, at the company’s principal place of business.

**APPROVED FOR FILING**

**DECISION NO. 75794**

**Check Sheet**

When a tariff filing is made with the Commission, an updated check sheet accompanies the tariff filing. The check sheet lists the sheets contained in the tariff, with a cross-reference to the current revision number. When new sheets are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (\*). The tariff user should refer to the latest check sheet to find out if a particular sheet is the most current one on file with the Commission. The sheets of this tariff are effective as of the date shown at the bottom of the respective sheets. Original and revised sheets as named below comprise all changes from the original tariff that are currently in effect as of the date at the bottom of this sheet.

**APPROVED FOR FILING****DECISION NO. 75794**

**TARIFF FORMAT**

Sheet Numbering. Sheet numbers appear in the upper right hand corner of the sheets. Sheets are numbered sequentially. From time to time new sheets may be added to the tariff. When a new sheet is added between existing sheets, a decimal is added to the preceding sheet number. For example, a new sheet added between sheets 5 and 6 would be numbered 5.1. Sheet Revision Numbers. Revision numbers also appear in the upper right corner of sheets. These numbers are used to determine the most current sheet version on file with the Commission. For example, the 4th Revised Sheet No. 24 cancels the 3rd Revised Sheet No. 24. Paragraph Numbering Sequence. There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level, as shown by the following example:

**DECISION NO. 75794**

**A. Service Description and Rates**

1. **Service Description:** TAG Mobile offers wireless subsidized Lifeline plans for qualifying applicants.

The Lifeline Base Plan includes a pre-set allotment of domestic talk minutes, unlimited global text messages and 500 MB of high-speed data every 30 days and includes a free mobile WiFi-enabled, 911/E911 compliant handset.

For the purposes referenced herein, a month is defined as a 30 day period, beginning on the first day of activation of service and ending at midnight on the monthly service renewal date. TAG Lifeline subscribers will not assess any taxes or government fees on any plan.

- i. Talk minutes are defined as live dialogue between two individuals.
- ii. Global Text Messaging is defined as (SMS & MMS) text messaging originating in the U.S. and terminating in the U.S.
- iii. Global Text Messaging is also defined as (SMS only) text messaging originating in the U.S. and terminating outside of the U.S.
- iv. 500 MB of data services are also included in the Lifeline Base Plan.
- v. Top-Up's are available for purchase. See Replenishment Plan/Top-Ups.

2. **Service Features:** Following is a list and description of the features provided by TAG Mobile regardless of Lifeline plan selected:

- i. Local Calls – Domestic Calls in the United States
- ii. International Long Distance Credit – Each month, you'll receive a credit of \$1.50 toward international calls to Mexico.
- iii. Caller ID
- iv. Call Waiting
- v. Call Forwarding
- vi. 3-Way Calling
- vii. Voice Mail (airtime charges apply from your cell phone)
- viii. Global Text Messaging
- ix. 411 Directory Assistance – Plan minutes are decremented for 411 calling.
- x. 911 and enhanced emergency 911 ("E-911" service where available) – Plan minutes are not decremented for 911 and E-911 services and this service remains available even when all plan minutes have been used.
- xi. 611 access to Customer Service where available. 611 access and Customer Service calls are free and do not decrement against plan minutes

**APPROVED FOR FILING**  
**DECISION NO. 75794**

**B. General Terms and Conditions of the Basic Lifeline Service Plan**

1. **Service Availability:** Service is available only if subscriber is within select coverage area.  
Service may be interrupted due to system capacity limitations and system repairs or modifications. Service is subject to limitation or interruption caused by weather, terrain, obstructions such as trees or buildings and other conditions. Company is not responsible for time lost or days lost for interruption of service caused by the above mentioned factors. There will be no credits or refunds issued for any reason. All TAG services will only work with TAG approved phones - not all services are available with all phones or on all networks.
2. **Service Activation:** Applicants must personally activate TAG's Lifeline service by calling 1-866-959-4918 and selecting Option 1 for English or 2 for Spanish for activations.
3. **Use of Service/Rates:** The services are provided via Service Plans under which you do not pay metered "per minute" charges for service. Subscribers can use the service to place 911 emergency services calls regardless of whether any minutes remain on their account or activation status. There is no cost to subscribers to contact the company's Customer Service at 1-866-959-4918.
4. **Deduction of Minutes:** Regular Voice Calls - We round up partial minutes of use to the next full minute after the first 30 seconds. Time starts when subscriber presses "Talk" or when the device connects to the network and stops when "End" is pressed or the network connection otherwise breaks. Minutes decrement for all calls that connect, even to answering machines. Minutes won't be decremented for unanswered calls or when subscriber receives a busy signal. For incoming calls answered, minutes are decremented from the time shortly before the device starts ringing until subscriber presses END or the network connection otherwise breaks. Unused plan minutes do not carry forward and expire at midnight of the monthly service renewal date as determined by your activation date, unless special plan terms apply.
5. **Promotions:** Company may offer promotional rates and services from time to time.
6. **Lifeline Territory:** Lifeline is available to all eligible residential customers residing in the areas of Arizona where local wireless service is provided by T-Mobile, Verizon, or Sprint carriers.

**C. Termination or Suspension of Service**

1. **Disputes:** TAG does not give credits or adjustments of any kind for calls not connected or dropped calls.
2. **Company's Right to Terminate Service:** TAG will not terminate service upon less than 15 days written notice to subscriber, except for those specific circumstances described herein. Specifically, TAG can, without notice, suspend or terminate any service at any time for the following reasons:
  - i. Upon order by any court, the Commission, or any other duly authorized public authority; or
  - ii. For a violation or breach of this Agreement
  - iii. If service was obtained fraudulently or without the authorization of the provider or is being used for, or suspected of being used for, fraudulent purposes; or
  - iv. Obtaining service by subterfuge that includes, but is not restricted to, an application for service at a location in the name of another party.
3. **Cancellation Policy:** Subscribers may terminate any line of service, including Lifeline Service, by calling TAG Mobile. Subscriber's remaining airtime will be forfeited and subscriber will not receive a credit for the remaining balance.

Mary Calderon, VP Regulatory  
1330 Capital Pkwy  
Carrollton, Tx. 75006

Effective Date:

11-21-16

APPROVED FOR FILING  
DECISION NO. 75794

**D. Service Requirements**

1. **Account Balance:** Airtime cannot be moved from one phone number to another phone number whether the number is associated with service provided by the company or by some other wireless service provider. All airtime (airtime associated with a particular plan, as well as additional purchased minutes or services) expires at the end of each 30 day cycle whether Subscriber uses the airtime or not. No airtime (whether associated with a particular plan or purchased separately) is carried over to the next 30 day period.
2. **Release of Information:** TAG may release information about a subscriber's account when the company believes release is appropriate to comply with the law (i.e. Lifeline databases, subpoena, court order, E911 information, and etc.).
3. **Account Information:** Subscribers are responsible for protecting the security of their accounts. TAG recommends that subscriber not provide their account or personal information to any other person in order to prevent such persons from making unauthorized changes to the account. Any person that is able to verify subscriber's mobile number, and/or account information is considered to have been authorized by subscriber to make changes to the account.
4. **Porting Policy:** TAG offers number portability to its subscribers at no charge. TAG does not guarantee that number transfers to or from the company will be successful. If subscriber requests to port a number out to another company, it is considered a request by subscriber to terminate all of the services associated with that number. Subscriber's remaining airtime will be forfeited and subscriber will not receive a credit for the remaining balance. TAG will not release a subscriber's wireless number to another carrier without proper verification.

**E. Lifeline Requirements**

1. **Lifeline Service:** Lifeline Service is a government supported assistance program that provides discounted telephone service available to qualified low-income consumers who reside within those areas of Arizona in which TAG has been designated by the Arizona Corporation Commission as an Eligible Telecommunications Carrier. Lifeline Service is non-transferable and subscribers who willfully make false statements in order to obtain a Lifeline benefit can be punished by fine or imprisonment or can be barred from the program.
2. **Lifeline Eligibility Criteria:** Lifeline assistance is available to qualifying low-income subscribers on a one-per-household basis as follows -
  - i. **Program-Based Eligibility** - A customer is eligible for Lifeline if the subscriber participates in at least one of the following federal assistance programs: Medicaid; Supplemental Nutrition Assistance Program; Supplemental Security Income; Federal Public Housing Assistance; or Veterans and Survivors Pension Benefit.
  - ii. **Income-Based Eligibility** - A subscriber with total gross annual household income at or below 135% of the Federal Poverty Guidelines for a household of that size is eligible for Lifeline program certification. A subscriber who meets the income-eligibility standard but does not receive benefits under the programs listed in E(2)(i) above may call the local community action agency in Arizona to explore other financial assistance.

APPROVED FOR FILING  
DECISION NO. 75794

**4. Lifeline Disclosures:**

- i. Lifeline is a government assistance program and only eligible consumers may enroll in the program. Lifeline service is a non-transferrable service and therefore may not be transferred to any other individual, including another eligible low-income consumer. Lifeline benefits are federal benefits and consumers that make false statements in order to obtain the Lifeline benefit can be punished by fine or imprisonment, de-enrollment or can be barred from the program. Only one Lifeline service is available per household. A household is defined, for purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses. A household may not receive multiple Lifeline benefits from multiple providers. A violation of the one-per-household requirement constitutes a violation of the Federal Communication Commission's rules and will result in de-enrollment from the program, and could result in criminal prosecution by the United States government. The Lifeline benefit may be applied to either one landline or one wireless number, but cannot be applied to both.
  - ii. Eligible Lifeline Subscribers will receive a WiFi-enabled, 911 or E-911 compliant handset at no charge capable of providing voice and texting services. The handset may be a new or refurbished unit based on availability.
  - iii. Company will require each subscriber to certify at the time of enrollment and at least annually thereafter that he or she is at least 18 years old, receives Lifeline-supported service only from TAG and receives benefits under one of the qualifying programs or meets the income eligibility standards required for eligibility for the Lifeline Program. TAG's Lifeline application and Certification Form will clearly inform subscribers that they are subject to penalties for perjury. The Lifeline credit will not be established until the company has received proof of eligibility. If the subscriber requests activation prior to the company's receipt of proof of eligibility, the requested service will be provided without the Lifeline credit until proof of eligibility has been received.
5. **Non-Usage** In order for a subscriber's TAG Lifeline account to remain active, we require that the subscriber use their TAG Lifeline supported wireless service at least once per month. Any of the following activities constitute usage: completing an outbound call or usage of data; purchasing minutes or data from TAG to add to your plan; answering an incoming call from someone other than TAG; or responding to a direct contact from TAG confirming that you want to continue receiving the service; or sending a text message. TAG monitors subscribers for non-usage and is required by Federal law to de-enroll subscribers for non-usage after 30 days of non-use. At the end of the 30-day non-use period, TAG Mobile will provide a 15-day notice to subscriber advising of de-enrollment from the Lifeline program for non-use. Subscriber must perform one of the usage activities listed above. Reminder text messages may be sent to subscriber throughout the 45-day period. If at the end of the 45-day period none of the usage activities are performed the subscriber will be de-enrolled from the Lifeline program and service de-activated. In the event your Lifeline supported service is deactivated for non-usage as described above, access to 911 emergency services remains intact as required by the FCC's existing public safety rules and guidelines.

Effective Date:

11-21-16

APPROVED FOR FILING

DECISION NO. 75794

6. Subscribers participating in the Lifeline service must provide their new address to the company within thirty (30) days of moving.
7. Discontinuation of Lifeline Service: Discontinuation of Lifeline service is subject to the requirements, procedures, rules, and orders of the FCC and the Arizona Corporation Commission.
8. TAG will: (1) provide its Lifeline subscribers with 911 and E911 access regardless of activation status and availability of prepaid minutes; and (2) provide a WiFi enabled 911/E911 compliant handset at no charge to Lifeline Base Plan subscribers.
10. TAG will maintain the subscriber's certification form as well as records of how the subscriber demonstrated eligibility, and provide such documentation to the appropriate regulatory body upon request.
11. **Annual Recertification** The FCC requires every consumer enrolled in the Lifeline program to verify on at least an annual basis that he or she maintains program eligibility and receives Lifeline supported service only from one company and, to the best of his or her knowledge, no one else in the household is receiving a Lifeline-supported service. The company will de-enroll Lifeline subscribers who do not respond to the annual recertification as required by 47 U.S.C. 54.405(e)(4).
12. **Benefit Port Freeze** -The FCC has mandated a 12-month Benefit Port Freeze. Therefore if a subscriber enrolls with TAG Mobile for Lifeline service the subscriber must remain with TAG for at least 12 months. Following are the exceptions to this rule:
  - (1) The subscriber moves their residential address;
  - (2) The subscriber's current provider ceases operations or otherwise fails to provide service;
  - (3) The provider has imposed late fees for non-payment greater than or equal to the monthly end-user charge for the supported service; or
  - (4) The subscriber's current provider is found to be in violation of the Commission's rules during the 12-month period and the subscriber is impacted by such violation.
