Please note that a "document" means all pages in A.C.C. records that are entered under one document identification number. This means, for example, if you requested a copy of a merger, you will get the Articles of Merger plus any and all other documents submitted with the Articles, because the entire package is in A.C.C. records under one document id number and is considered to be one document.

6. RECORDS OR SERVICE REQUESTED – check all boxes that apply to indicate what information you want on the entity:

A Certificate (not for copies) - describe what you want the certificate to say, for example, that a particular entity does not exist in A.C.C. records, or that certain entities merged.
