General Information

Articles of Termination terminate the existence of an Arizona LLC that is dissolved (the LLC is going out of business). Articles of Termination shall be filed "if all of the known property and assets of a limited liability company have been applied and distributed...." See A.R.S. § 29-3702. Statutes are available on the Arizona Legislature’s website, www.azleg.gov, by following the link for Arizona Revised Statutes. The form provided by the Arizona Corporation Commission meets the minimum statutory requirements. Use of the A.C.C.'s form is not required.

What if all the property and assets have not been distributed? The statute does not allow for the filing of articles of termination unless all property and assets of the LLC have been distributed. If the property and assets have not been distributed, then do not submit articles of termination. See A.R.S. § 29-3702. Statutes are available on the Arizona Legislature's website, www.azleg.gov, by following the link for Arizona Revised Statutes.

Can the termination be revoked? If the Articles of Termination have been approved for filing by the Arizona Corporation Commission, then the termination cannot be revoked. If the Articles of Termination document is pending and is not yet approved for filing, then the LLC can submit a Request To Terminate Pending Document and cancel the submission.

Can I reinstate the LLC after termination? No. Once the Articles of Termination are approved for filing, the existence of the LLC terminates, and the LLC cannot be reinstated in the records of the Arizona Corporation Commission.

Instructions

Number 1. List the exact name of the LLC as shown in the records of the Arizona Corporation Commission, including exact spelling, punctuation, and the LLC identifier such as Limited Liability Company or LLC, etc.

Number 2. This is a statement that must be true before the Articles of Termination may be filed. If the statement is not true, then do not submit the Articles of Termination. See A.R.S. § 29-3702.
