DOCKETED BY

IN THE MATTER OF THE NOTICE OF  
PROPOSED AMENDMENTS TO THE  
ARIZONA UNIVERSAL SERVICE FUND

DOCKET NO. RT-00000H-97-0137

DECISION NO. 76159

ORDER

**APPROVING E-RATE SURCHARGES**

Open Meeting  
June 13 and 14, 2017  
Phoenix, Arizona

BY THE COMMISSION:

FINDINGS OF FACT

**BACKGROUND**

1. On September 22, 1989, the Commission established the Arizona Universal Service Fund ("AUSF") in Decision No. 56639. The AUSF was established to maintain statewide average rates and the availability of basic telephone service to the greatest extent reasonably possible. The Commission entered into an agreement for professional services with Solix, Inc. ("Solix"), formerly the National Exchange Carriers Association, to administer the AUSF.

2. On March 22, 2017, the Commission issued Decision No. 76018 which approved, through an emergency rulemaking procedure, amendments to Arizona Administrative Code ("A.A.C.") R14-2-1201 *et seq.* for the purpose of instituting the new E-rate Broadband Special Construction Project Matching Fund Program ("E-rate Broadband Program") under the AUSF to assist Arizona schools and

1 public libraries to fund the necessary broadband facilities to obtain broadband connectivity. A.A.C.  
2 R14-2-1201 *et seq.* (“AUSF Rules”) are the rules created to govern the implementation and  
3 administration of the AUSF.

4 3. The amendments to the AUSF Rules are included in the new Part B to the current AUSF  
5 Rules. The new Part B is entitled “Arizona Universal Service Support for Schools and Libraries” which  
6 provides a description of and details the implementation and administration of the new E-rate  
7 Broadband Program.

8 4. Under the Federal Communications Commission’s (“FCC”) E-rate Modernization  
9 Orders<sup>1</sup>, qualifying schools and libraries are able to obtain, for a limited period of time, federal matching  
10 funds for broadband special construction projects up to a certain amount, but only if state funds are  
11 provided. The program is of limited duration and the amount necessary to be collected under the AUSF  
12 for the new E-rate Broadband Program is approximately \$8 million. The funds collected will be  
13 distributed to qualifying entities for up to five years after a determination of eligibility and award of  
14 federal funds by the Universal Service Administrative Company (“USAC”), the federal universal service  
15 fund administrator.

## 16 ANALYSIS

17 5. Funds collected for the E-rate Broadband Program will be collected in the same manner  
18 that the current AUSF surcharge is currently collected. In addition, the same providers that are required  
19 to pay into the current AUSF will be required to pay into the new E-rate Broadband Program fund.  
20 One half of the E-rate Broadband Program funding requirement will be collected through a surcharge  
21 paid by providers of basic local exchange service, wireless service, paging service and other Commercial  
22 Mobile Radio Service providers that interconnect with the public switched network. These entities are  
23 known as Category One providers. The second half of the E-rate Broadband Program funding  
24 requirement will be collected from providers of intrastate toll service. These entities are known as  
25 Category Two providers.

26  
27  
28 <sup>1</sup>*Modernizing the E-rate Program for Schools and Libraries*, WC Docket No. 13-184, Order 29 FCC Rcd 8870 (2014) (*E-rate Modernization Order*);  
*Modernizing the E-rate Program for Schools and Libraries, Connect America Fund*, WC Docket Nos. 13-184 and 10-90, Second Report and Order  
and Order on Reconsideration 29 FCC Rcd 15538 (2014) (*Second E-rate Modernization Order*) (*together, E-rate Modernization Orders*).

1           6.       Solix has received data from all Arizona telecommunications providers, required to pay  
2 into the AUSF and the E-rate Broadband Program fund, for use in calculating the surcharges that would  
3 be applied to all telecommunications providers beginning July 1, 2017, for purposes of funding the new  
4 E-rate Broadband Program; surcharge collections from telecommunications providers for the E-rate  
5 Broadband Program will continue for a period of no more than 12 months from July 1, 2017, or until  
6 the surcharge collections produce the required \$8 million funding maximum.

7           7.       From the data received, Solix has calculated that the monthly E-rate Broadband Program  
8 surcharge for Category One providers to be \$0.117032 per access line and \$1.170321 per interconnecting  
9 trunk line. For Category Two providers, the monthly E-rate Broadband Program surcharge would be  
10 3.0735 percent of intrastate toll revenues. The collection of these amounts over the 12 month period  
11 beginning July 1, 2017, should generate sufficient funds to cover the authorized \$8 million necessary to  
12 fund the E-rate Broadband Program. Category One and Category Two providers may combine this  
13 surcharge with any current AUSF surcharge line items on customers' bills.

#### 14 **RECOMMENDATIONS**

15           8.       Staff has reviewed the proposed monthly E-rate Broadband Program surcharges to  
16 commence beginning July 1, 2017, and has found them to be just, reasonable, and in the public interest.  
17 Staff believes the proposed monthly E-rate Broadband Program surcharges will contribute to a fund  
18 balance that is sufficient to fund the E-rate Broadband Program.

19           9.       Staff therefore recommends approval of the monthly E-rate Broadband Program  
20 surcharges to commence beginning July 1, 2017. Staff also recommends that providers be allowed to  
21 combine the E-rate Broadband Program surcharge with any other AUSF surcharge line items for billing  
22 purposes.

#### 23 CONCLUSIONS OF LAW

24           1.       The Commission has jurisdiction over the Arizona Universal Service Fund and matters  
25 pertaining to the fund.

26           2.       The Commission's new Arizona Universal Service Fund Rules - Part B, A.A.C. R14-2-  
27 1218 through R14-2-1223 provide for the surcharges adopted herein.

28

1 IT IS FURTHER ORDERED that Category One and Category Two contributing providers  
2 should initiate billing of the 2017 monthly E-Rate Broadband Special Construction Project Matching  
3 Fund Program surcharges beginning on July 1, 2017, or thereafter.

4 IT IS FURTHER ORDERED that this Decision shall become effective immediately.

5  
6  
7 **BY THE ORDER OF THE ARIZONA CORPORATION COMMISSION**
